4 COILS TECH s.r.o. declares that all products manufacture by them **do not contain any** of the listed substances from the Toxic Substance Control Act (TSCA).

This declaration provides confirmation that all products sold or otherwise placed on the market by **4 COILS TECH s.r.o.** have been evaluated against TSCA regulation.

The Toxic Substances Control Act of 1976 provides EPA with authority to require reporting, record-keeping and testing requirements, and restrictions relating to chemical substances and/or mixtures. Certain substances are generally excluded from TSCA, including, among others, food, drugs, cosmetics and pesticides.

TSCA addresses the production, importation, use, and disposal of specific chemicals including **polychlorinated biphenyls (PCBs)**, **asbestos**, radon and **lead-based paint**.

4 COILS TECH s.r.o. hereby declares that we take care not to design-in such substances during development. If the use of TSCA is necessary to fulfil the high-performance criteria of our products, we do declare the use.

4 COILS TECH s.r.o. does not directly purchase any toxic substances and our products have been manufactured without the intentional use of such substances. If the use of it cannot be avoided, we do declare it.

4 COILS TECH s.r.o. has processes and procedures in place to ensure that our suppliers meet our expectations. We communicate our requirements to our suppliers to ensure that Toxic substances are not used in our products. We subsequently obtain declarations from our suppliers confirming their commitment and upstream due diligence.

4 COILS TECH s.r.o. is diligently working to ensure that our supply chain is going to or remains free of TSCA Please contact us if you have any further questions about our program.
